me: or, afternoon
Karen: Anything I can do to help you today?
me: actually, yes
me: get me a bunch of quotes from articles, commentaries on Arab Spring, particularly early on regarding Tunisia
me: excerpts from opinion pieces, in particular
Karen: from pundits around the world?
me: yep
Karen: love to! thanks, boss!
me: no problem
Karen: should they be in relation to anonymous or just general quotes
me: happy to help
me: both
me: especially need ones that predict disaster, takeovers by Islamists
me: but all sorts are good
Karen: So Fox news people who were concerened about the islamic brotherhood, etc?
me: yep
me: but preferably not so much from Fox
Karen: OK
